Dear Andrew

Thank you very much for your letter regarding our 'rained out walk-a-thon', and especially for your cheque for \$100. This was a lovely surprise but very much appreciated.

We do appreciate that you set aside time to come and start the walk-a-thon for us on the scheduled date. It was a shame it had to be postponed. Our students still enjoyed dressing up as heroes for the day.

As I am sure you understand our decision to run the actual walk on Monday 28<sup>th</sup> June was dictated by the weather.

We are lucky at Bayview School to have such a supportive parent community and wider community.

Thank you for your support.

Yours sincerely
