**NORTH SHORE CITY**

Dear Mayor Williams

The Eden Park Trust is now nearing completion of the redevelopment of Eden Park, in readiness for both the Rugby World Cup 2011 and many other exciting sporting and cultural events in Auckland's future.

The Trust would like to take this opportunity to thank you for your assistance in helping guide through and complete the approvals necessary for Auckland City Council's support of a guarantee to the ASB's \$40 million loan to the Eden Park Trust. We have now completed all the necessary documentation and have secured the remaining funding needed to complete the Park's redevelopment.

The new facilities at Eden Park look magnificent, and are drawing many positive comments from the public and media alike. In addition, the upgrade of infrastructure around the Park is really starting to take shape. We will have a truly world class stadium, facilities and infrastructure that Auckland and New Zealand can be proud of.

We are still on track for the project to be completed on time and within budget. Thank you for your support and the assistance you have provided to ensure the funding was available to finish this important project.

The Trust looks forward to welcoming you back to Eden Park in the near future to experience the new stadium.

Yours faithfully

John Waller  
Chairman  
The Eden Park Trust

David Kennedy  
Chief Executive  
The Eden Park Trust
