Bar Williams

Thank you for the wonderful welcome you reserved for me and for sparing your time to show me around your sporting facilities during my visit to North Shore City on 2 April 2008. I greatly enjoyed interacting with you and the Councillors of North Shore City. Our exchanges of ideas and information was most useful. I do hope to continue this process of interaction to help the representatives of local government of both our countries to interact and learn from each other's experience. We look forward to welcoming you when you or any of your Councillors visits India.

Bar Williams

Yours sincerely,

Bar Williams
