Thank you letter from the Korean Garden Trust

Thank you for attending the Businessmen Fundraising Event for the Korean Garden on 30 April 2010.

We had about 100 distinguished guests attending. With their generosity, we were able to raise around \$240,000. We were grateful that Your Worship the Mayor Andrew Williams' promise to donate \$200,000 for the earth works and construction of the walkway in the Korean Garden.

We warmly invite you to show us your continued support in order to further accelerate the fundraising process for the focal point of intercultural cooperation, the Korean Garden

Thanks again for your generous support.

Kind regards,

Ben Lee
Chairman of the Korean Garden Trust
