Dear Andrew

Thank you very much for your recent gift "The North Shore – An Illustrated History" by David Verran. What a truly fabulous book. It is wonderful to see such a collection of images and compare the "then" with the "now" as we look about our communities. Also as you say, it's a testament to the hard work that has created the North Shore as we know it today.

I am sure you are very proud to have been part of this book's creation in your role as the final Mayor of North Shore City as we currently know it. Thank you for your tireless efforts for the people of the North Shore during your term as Mayor. It has been a pleasure working with you for the greater good of our communities.

I wish you well in your future endeavours. Thank you once again for the beautiful book.

Kind regards

Jonathan Coleman
