Mayor of North Shore City
Private Bag 93500
Takapuna
NORTH SHORE CITY 0740

Dear Andrew

Thank you for the copy of "*The North Shore – An Illustrated History*" written by David Verran which I received this week.

The North Shore will always retain its distinctive beachside environment and friendly lifestyle and this historic publication captures its very essence.

You must also take pride, as the last serving Mayor, in the contribution that you and your Councillors have given to the people of the North Shore, while in office.

Thank you for your kind wishes.

Yours truly
